VHA 10N17 - VA Heart of Texas Health Car	11-01521-F	-	Request clarification of a policy that is currently being enforced by Department of Veterans Affairs (VA) offices that appears to be out of compliance with the law. Pursuant to the Freedom of Information Act, I am requesting a copy of the VA's Policy on firearms in a VA Facility. I am willing to pay any fees associated with the receipt of the requested documents. On November 23, 2010, the VISN 17 FOIA POC contacted a Security Specialist in VACO for assistance as I am sure this is a common FOIA request. A voicemail and e-mail were both sent and am currently waiting for a response. This request may be referred to VACO Security. After discussion with the Security Specialist Supervisor in VACO, it was requested that this FOIA request be reassigned to his office. The reassignment was done by the VISN 17 FOIA POC on November 30, 2010 in FOIAXpress. A notification letter to the requester will be sent by the VISN 17 FOIA POC notifying him of the new POC. On December 2, 2010, the VISN 17 FOIA Officer completed and mailed via UPS a letter notifying the requester of the referral to the Office of Security and Law Enforcement (07B) with the new FOIA POC. Secondly, the VISN 17 FOIA POC completed an official letter notifying the FOIA POC Office of Security and Law Enforcement (07B) that her office would be responsible for a response back to the requester. An e-mail was sent with copies of both documents to the FOIA POC at 07B.	11/23/2010

VHA 10N17 - VA Heart of Texas Health Car	11-03137-F	Galt & Company	Requesting a copy of the contract, or documents containing pricing and terms for clinical chemistry analyzers, immunochemistry analyzers, hematology analyzers, reagents, and calibration controls from the following firms: Siemens, Health Diagnostics, Abbott Labs, Roche Diagnostics, Ortho-Clinical Diagnostics, Sysmex, and Beckman Coulter. To date, VISN 17 Contracting has stated that they have been unable to locate any records and referred me to the NAC. Acknowledgement letter mailed 2 day UPS on February 16, 2011 with a target date of response by 3/8/11. On 2/8/11, I referred the matter to the VISN 17 Program Manager for Contracting. On 2/14/11, the VISN 17 Contracting Office referred me to the NAC. In an e-mail they state they cannot provide the information requested because they only create task orders against the national contracts. The national contracts for the noted vendors have the pricing schedules written into the contracts which are not directly provided to the facilities. On 2/24/11, I received a response from the NAC stating they had released the FSS pricing and had completed their part. That same afternoon I contacted the requester who stated he had received all FSS pricing but now wanted all GSA and non-FSS related pricing from the VISN. I forwarded this to the VISN 17 Program Manager for Contracting. 2/25/11, the VISN 17 Contracting Program Manager tells me this is a sensitive request and must be referred to SAO. 2/26/11-The POC at SAO states this request is sensitive and therefore is being referred to Contracting in 10F. 3/1/11-I escalate the matter to VHA FOIA Officer for informational purposes. 3/4/11-I sent the requester a 10 day extension since 10F is now involved. The notification was delivered via UPS confirmation on 3/7/11. 3/4/11-10F refers the matter back to VISN Contracting via e-mail stating if such contracts exist to release to the VISN 17 FOIA Officer. 3/8/11-VHA FOIA assists with setting a final deadline. 3/10/11-VISN 17 Contracting provides a response to VISN 17 FOIA POC. 3/11/11-VISN 17 FOIA POC completes final decision letter and mails via UPS to requester.	2/7/2011
